It seems, looking back, that Baylies Willey has always been an important part of Hollins. As a member of the Class of 1957, she served on Honor Court, the basketball and swim teams, was a member of Freya and President of the Student Government Association. She returned to Hollins in 1969 with the same energy shown years before to become the Dean of Students, taking on the responsibilities of student housing and dorm regulation, extra-curricular activities and freshman orientation. In addition to these, Dean Willey is an advisor to all student organizations and the President's designated representative to the student courts. After fifteen dedicated years, she is heading North for Simmons Graduate School in Boston to focus her attentions on management.

Baylies Willey has been a great asset to the Hollins community but most of all she has been a wonderful friend. She will be often thought of and greatly missed by all. In honor of her service to the Hollins community, we dedicate to her the 1984 edition of THE SPINSTER.

EDITOR'S NOTE

This Spinster was created to be a collection of memories of the 1983-84 Hollins College calendar year. It is named The Spinster because of all the colorful personalities who are woven into this community like threads in a tapestry, representing students from forty-seven states and thirteen countries.

It took more than a staff to put together this yearbook. It would not have been possible without the following help: Lori Francis, who printed pictures until early hours of the morning; my mother, Meg Freeman, and Barbi Porter, who typed until their hands were exhausted; First Presbyterian Church and Textile Parts and Machine Company of Gastonia, North Carolina, who donated editing advice, and total use of their copying machines during working hours; my advisor and teachers, who were very understanding around deadlines; and my apartment mates who put up with me throughout the seven months it took to make this annual. Special appreciation goes to Linda Steele, my advisor; Lella Crabtree, my Taylor Publishing Company representative; the members of the Coordinating Council, who kept my spirits up by offering help when I needed it the most; the Registrar's Office for all the names and other information; Walter Reid for moral support; VMI's yearbook editor, Pete Nealley, along with Hampden-Sydney's editor, Harrison Clarke, who kept me in touch with reality; and last, but not least, to my family, who allowed the yearbook to be spread all over the kitchen during the Thanksgiving and Christmas vacations.

The Spinster started the year with a large staff and high expectations, but though the expectations remained, the staff dwindled to a dedicated few. Despite our problems, I hope that we have been able to achieve our goal of representing the 1983-84 school year as completely as we had originally planned.
